CONNIE

Once upon a time a photographer (whose name escapes me and the Taxman) said unto Connie, "Come with me to the Seychelles and I will take erotic-but-tasteful pictures of you wearing not-a-lot. Further more, I will pay you lots of money and you will not have to give-me-one." And she said unto him, "Straight up?" and he said "Very probably." And she said, "No I mean, on the level?" and he said, "Whatever turns you on . . ."

And it came to pass that she eventually established his bona fides. "So where was this place again?" asked she. "Seychelles," he replied. "Okay then, Shells! But you still haven't told me where the fuck it is." "Ye gods and little fish-eyed lenses!" he cried, "In that case — how about Martinique?" "No thank you," she said sweetly, "I never drink when I'm working . . ."

POLLY

The judges deliberated and chose . . . Polly. But it was a close thing. Not so much because there were so many other good looking ladies to choose from (though indeed there were), but because we knew she'd done some local studio and advertising work.

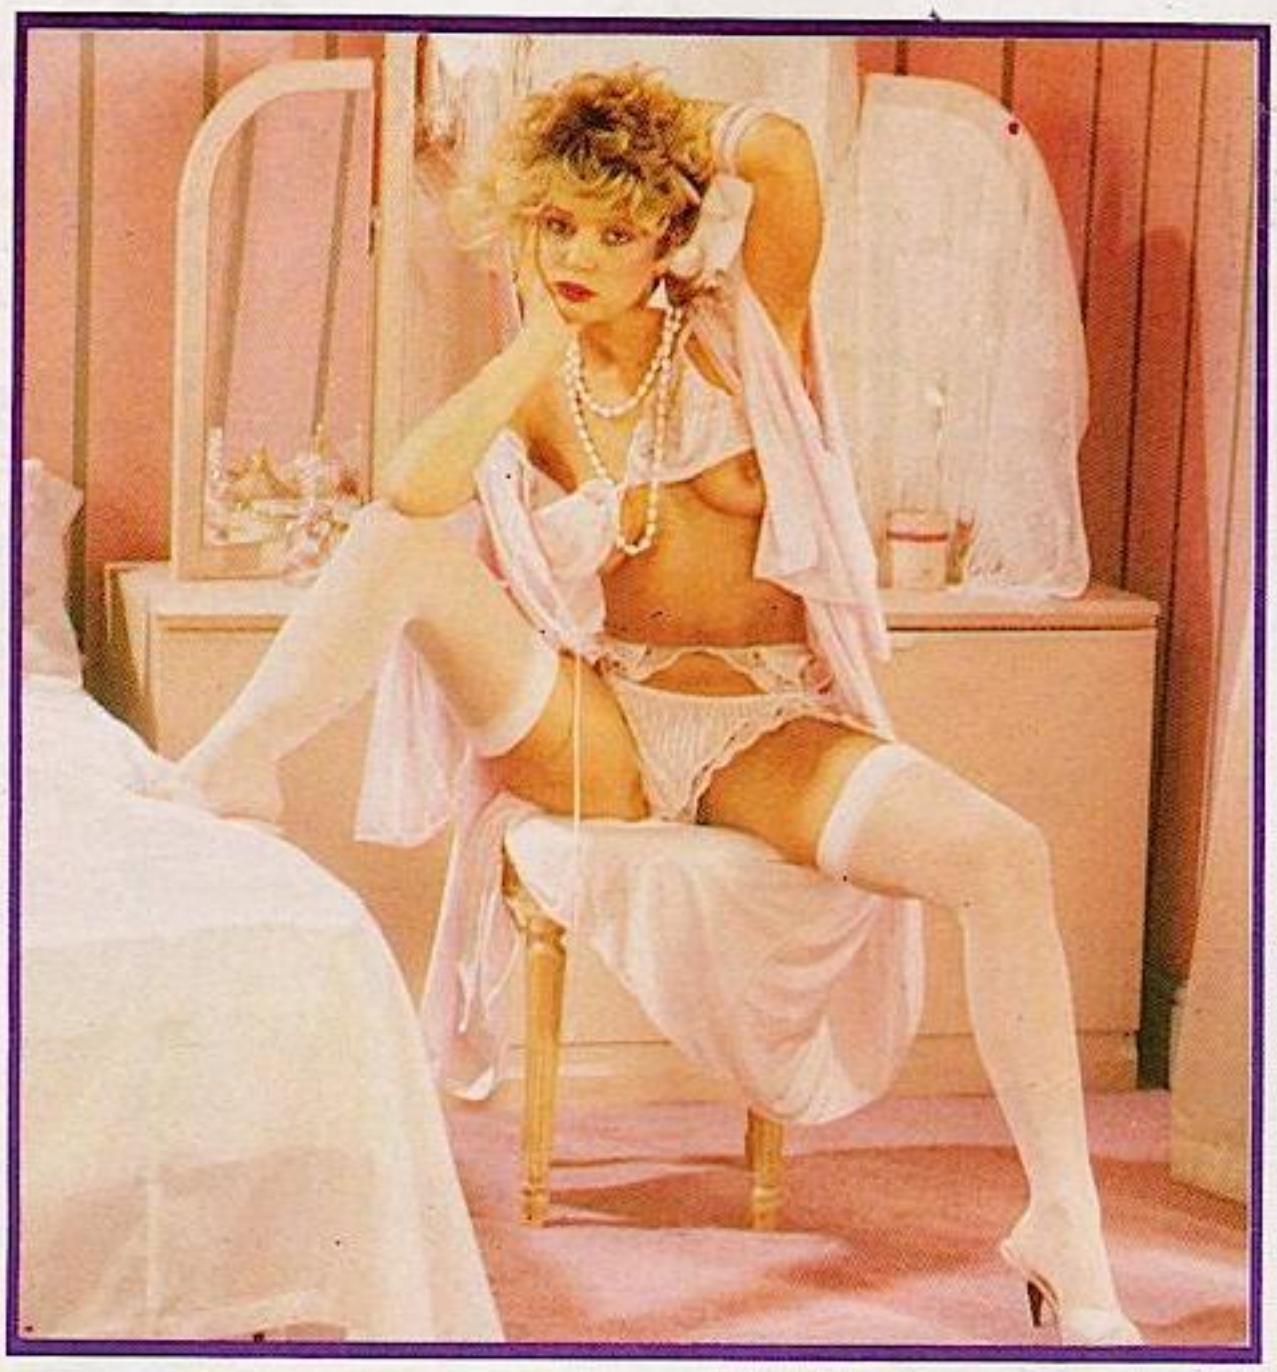
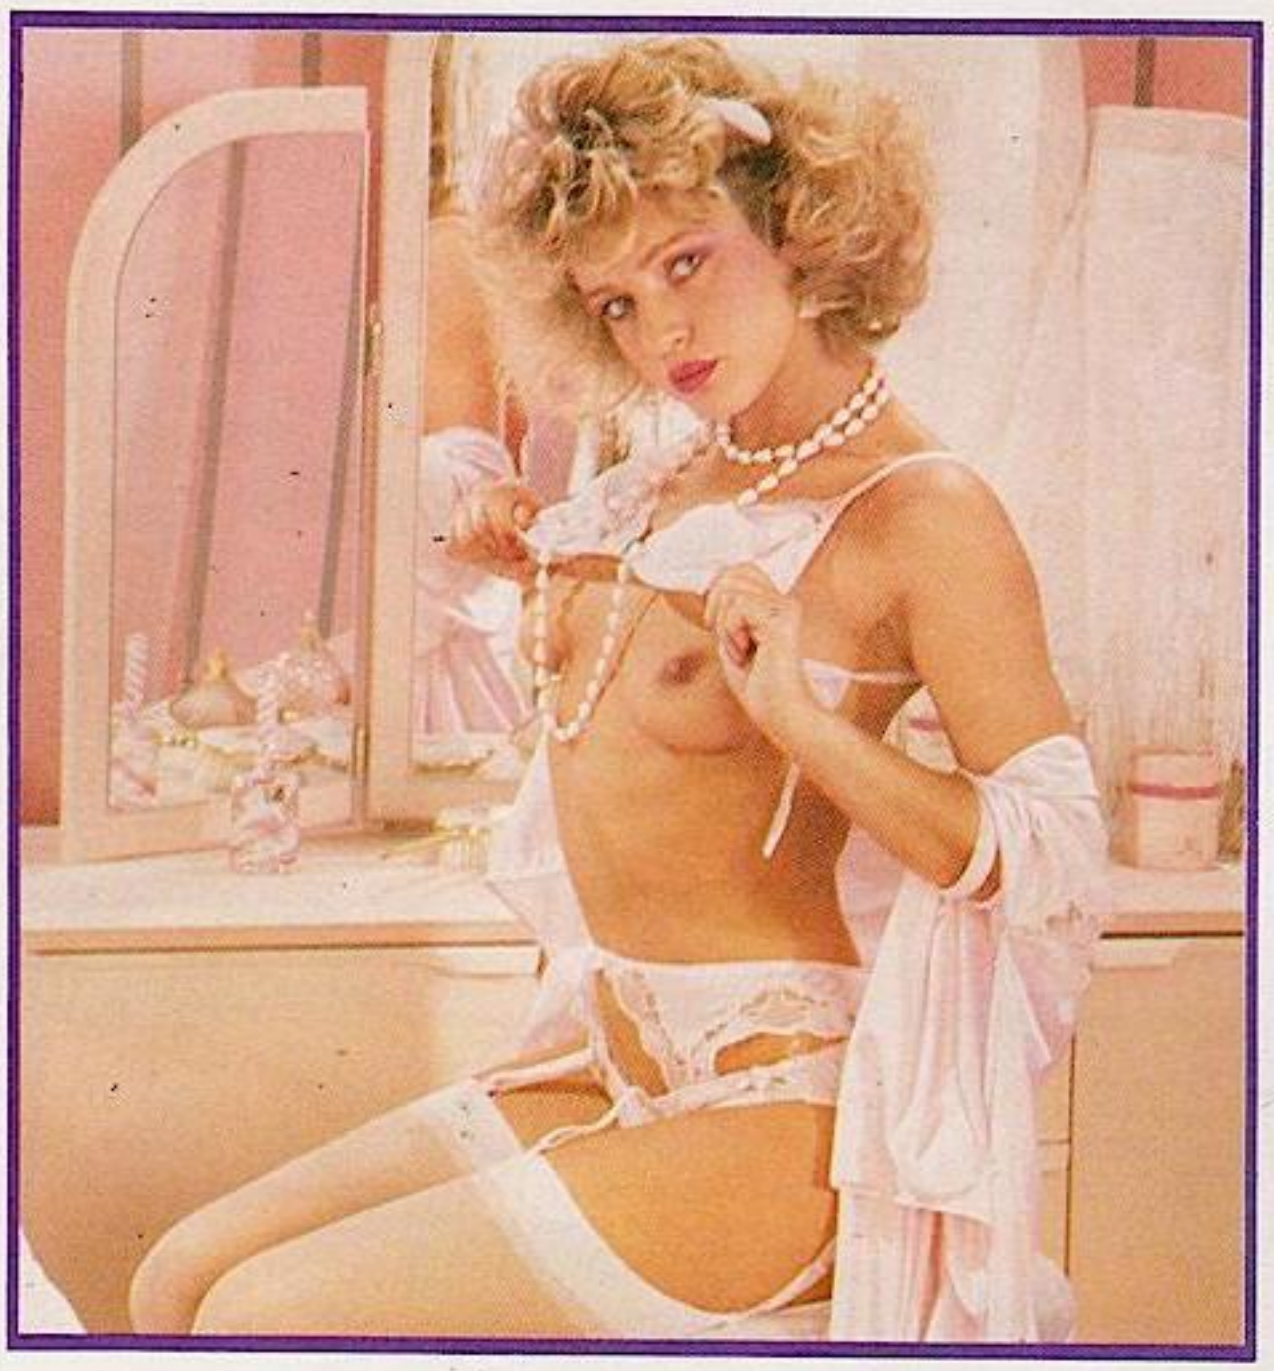
Amateur Model Competition



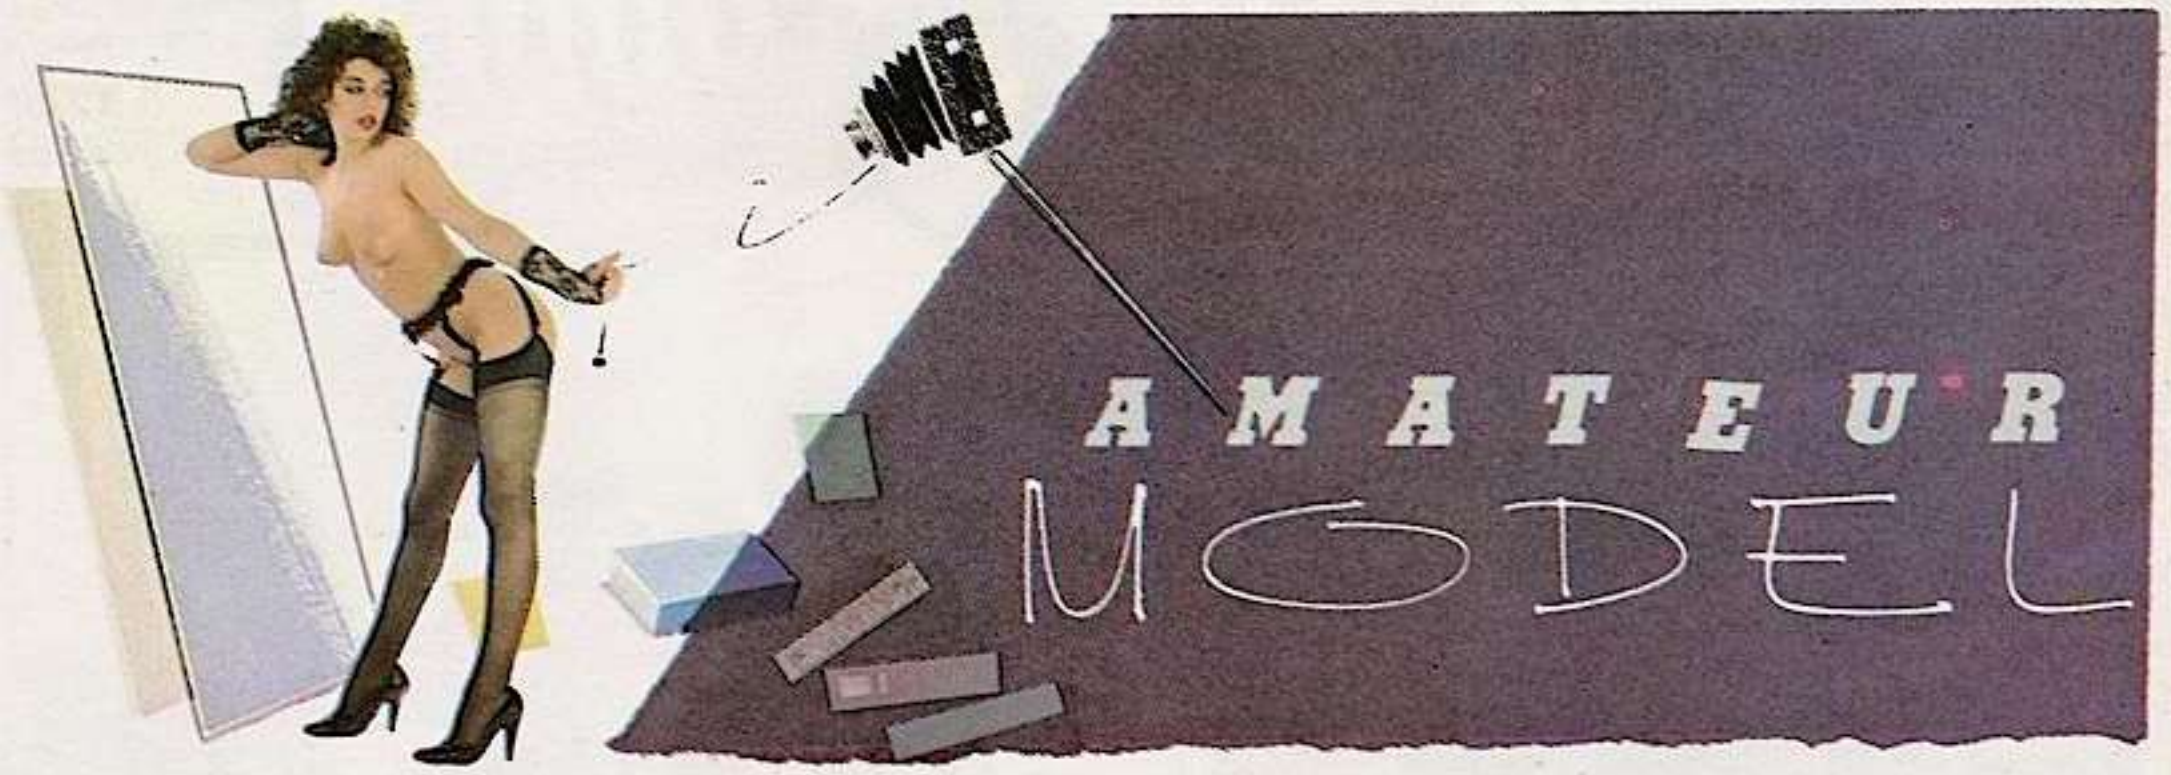


But she'd never before appeared in a national magazine or newspaper — and that's where we draw the line. By the time you read this she'll probably have been seen everywhere — but we got her first!

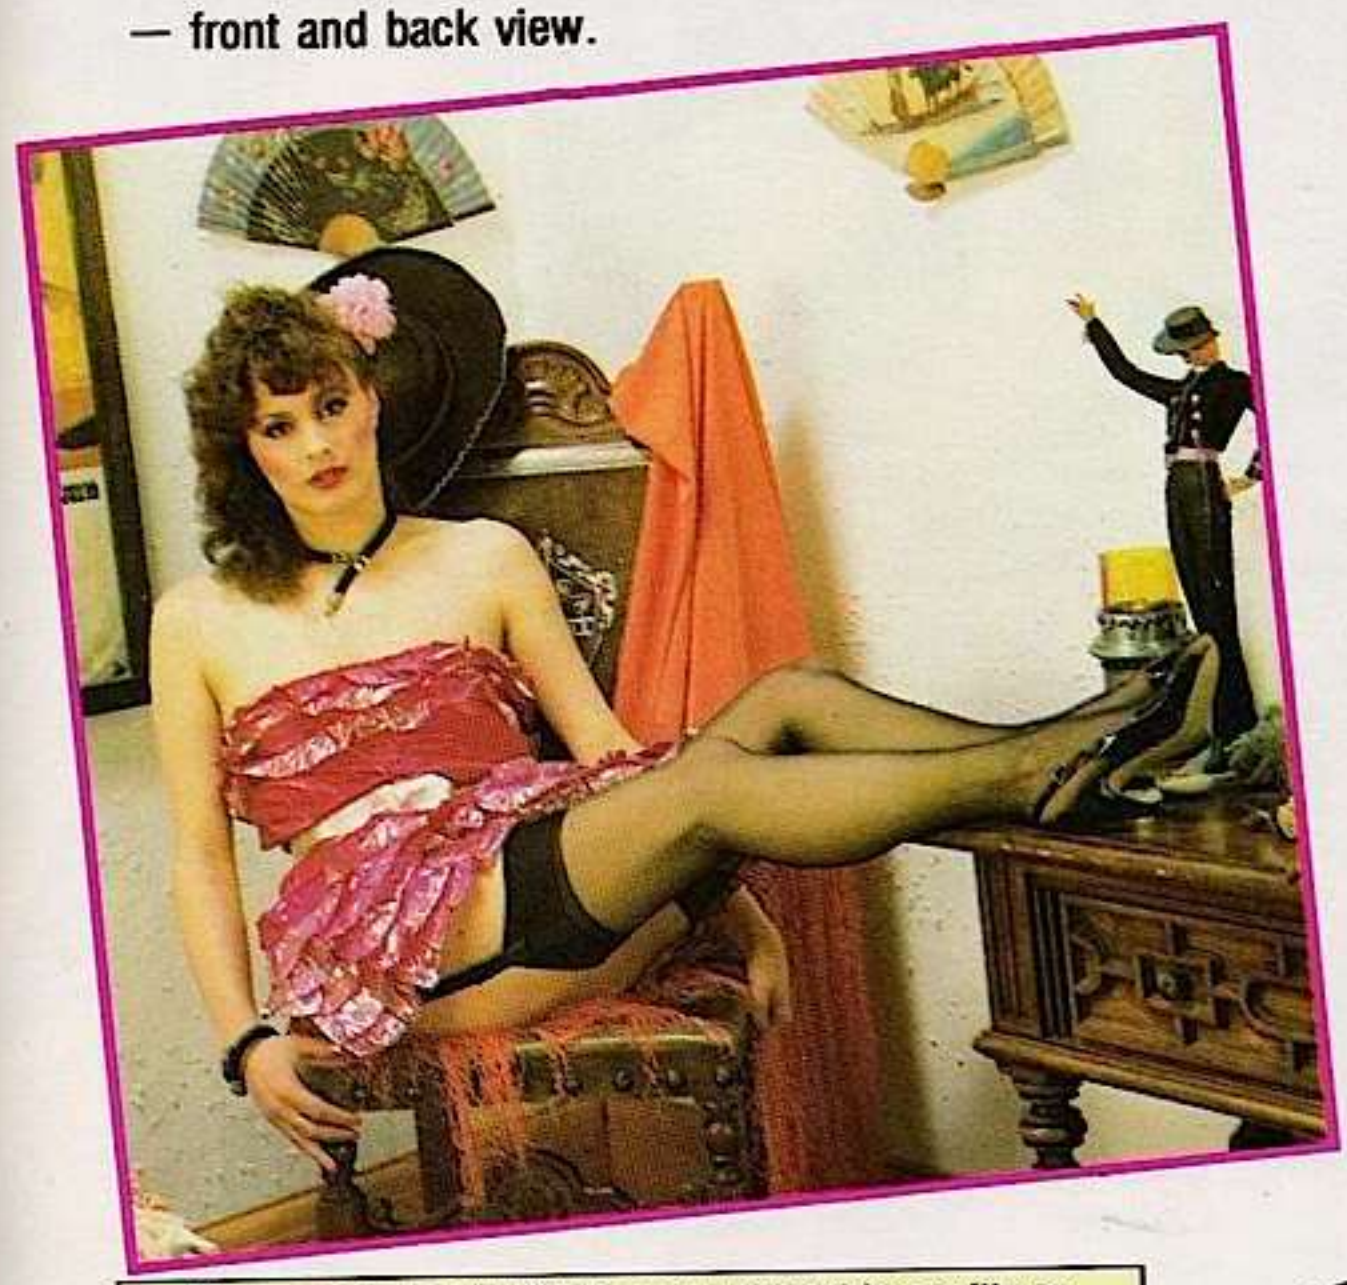
To refresh your memories . . . She's 5'4" tall, 34-24-35 and has lots of high tech 'A' levels. She was offered a very good job, which she'd like to go back to one day, but modelling is too much fun to give up yet. And now she's got a good agent behind her . . .

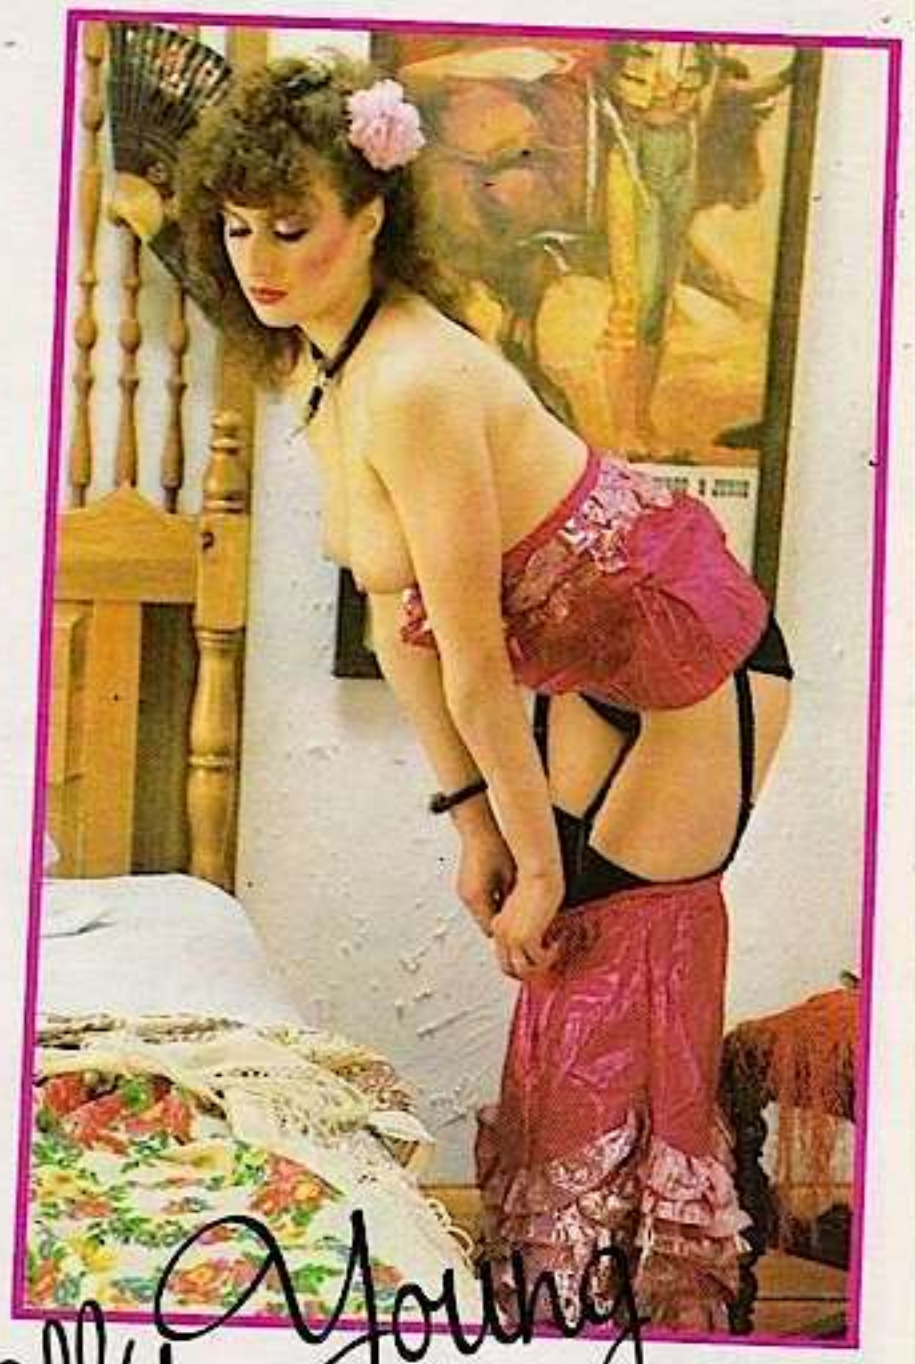
POLLY

KNAVE MAGAZINE



This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.





Sally Young

If we ever need to fiddle our readership profile to impress them advertising chappies, we'll just ask Sally to fill out a few forms. Within days of this shoot she was due to sit her final exams in Philosophy at 'a Northern University' — not a million miles from Exeter! Impressed, huh? We were. All this and nice tits too! It shouldn't be allowed.

Sorry — competition over. But we'll still pay you £200 for a day's modelling in our studios if we like your polaroids or prints. And £25 to the friend of photographer who took them. If you fancy getting into glamour modelling, there's no better way to start. So why not have a go . . .

Luckily for all of us, it's positively *encouraged* here on the Costa del Kilburn. We thought we'd have a go at a Spanish theme (well, she went there once on her holidays). Lovely stuff, you must agree. All others paella in comparison. Enough puns for this issue. 36-24-36, 5'5", shoes size 4 — and make up the rest yourselves . . .

DAYS

PHOTOGRAPHED BY JAN SVENSSON

Take one model (Shaun's nice; 19, 34-23-35, sweet) to an exotic location. Take lots of pix in secluded spots inexplicably over-run with locals. Swear a lot. Get arrested.

Return home. Find best set is shots on roof of hotel taken 'just for luck'. Sell same to Knave for lots of money. Spend same, muttering, 'It's a funny old business!'
